

JOB OPPORTUNITIES ARE AVAILABLE WITH PCL IN ALBERTA

for Journeyperson Structural Ironworkers

CONSTRUCTION LEADERS

...aspiring to be the most respected builder, renowned for:

- excellence
- leadership
- unsurpassed value

Job Description: Duties will include installing structural metalwork, (curtain walls, metal stairways and railing), unloading and positioning steel units so that they can be hoisted, aligning holes and inserting temporary bolts for permanent assembly, reading blueprints and specifications to lay-out work. This work is generally outdoors, and will often require climbing and working at heights.
